ALISEA

Burglary Protection

A compact solution for secure cash storage on retail premises or at bank/post-office counters. While floats remain available for transactions, Alisea protects cash deposited in its 'reserve' drawer with a programmable time-delay function.

PERFORMANCE AND SECURITY

Alisea service cabinets offer:

- ✦ 'Reserve' drawer for secure cash deposits
- ✦ Programmable time-delay function
- ✦ Possible installation under desks, counters, etc.
- ✦ Floor anchoring (2 bolts supplied)
- ✦ Optional receiving tray for models 15 and 25
