

Millium Deposit Express (MDE)

Deposit Safe

MILLIUM DEPOSIT EXPRESS

Deposit Safe

Millium Deposit Express (MDE) answers the need for local secure storage of cash deposits in retail outlets, bank branches and offices. Based on the Millium range, MDE safes offer a compact and efficient solution with a minimal footprint. They can easily be integrated into the existing environment and placed under work surfaces such as desks, counters, etc.

PERFORMANCE AND SECURITY

MDE safes include:

- ✦ Lockable deposit drawer with anti-fishing device
- ✦ Receiving safe below for secure storage of deposits. This Grade I/E safe is based on the certified Millium range, incl. its bolts and locking system.
- ✦ A2P-certified locks as per EN 1300.
- ✦ 40mm-thick steel-sheet double walls with a patented Fichet-Bauché barrier material inserted between them.
- ✦ Anchoring kit included for safes weighing less than 1,000 kg (mandatory as per EN 1143-1 requirements).
